

Learning About Whales (Paperback)

By Sy Barlowe

Dover Publications Inc., United States, 2003. Paperback. Book Condition: New. 140 x 94 mm. Language: English . Brand New Book. How many of nature's largest deep-sea creatures can you identify? In this fact-filled little activity book you'll learn about 12 different whales from the narwhal, with its long, spiral tusk, to the fierce killer whale. Each page describes special characteristics of one kind of whale and also contains space for a sticker illustration. As you learn about the right, fin, minke, gray, pilot, bowhead, blue, humpback, and other whales, you can have fun placing the stickers of the whales in their proper places. This book is an easy, enjoyable way to learn about whales that's perfect for use at home or in the classroom.
