Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Stanley Orman An Uncivil Civil Servant How did a boy from a working class home in East London get to develop nuclear offensive and defensive weapons, oversee military cooperation between the US and the UK, and brief Margaret Thatcher and the British Chiefs of Staff on SDI (Strategic Defense Initiative - nicknamed Star Wars), while also finding time to collaborate with orthopedic surgeons to design a titanium hip replacement? This book outlines the development of a young lad who was evacuated from London in 1944 to avoid the V1 and V2 attacks. After the war he became an international athlete, a well published research scientist, and went on to take a leading role in the development of Britain's nuclear deterrent. The circle was completed when he led British involvement in the American Star Wars program, by helping to create a system that could intercept the type of missiles that had forced him to become an evacuee decades earlier. His early school years shaped an approach to life that enabled Stanley to succeed so spectacularly...
