Brand New Book ***** Print on Demand *****.EXPLANATIVE The author begs to state that whatever is contained in this modest volume has been written in a spirit of the broadest goodfellowship, and with malice toward none. He has met odd and entertaining people in all quarters of the world and has brought them together in Tamawaca Folks merely that he might weave them into his little romance, and with no thought of being in any way personal. Therefore, since these are many and variant types and can have no individuality for that reason, the writer begs his reader not to attempt to fit any of the fictitious characters to living persons, lest your neighbor try to fit one of my masquerade costumes to you-which would be an impertinence I am sure you would not like. The temptation, I admit, is natural, because the people portrayed are all human and even their composites have prototypes in nearly every locality. But desist, I entreat you. Tamawaca exists, and is as beautiful as I have described it. I chose it as the scene of my story because I once passed an entire summer there and was fascinated by its incomparable charm. The middle West has no spot that can compete with it in loveliness.
