Kansas City Star Books. 1 Paperback(s), 2002. soft. Book Condition: New. In this fifth book from quilter and former Kansas City Star staffer Edie McGinnis, she presents 24 classic Star block patterns in a theme of travel and the "curves along the road of life." It includes patterns like Road to California, Wheel of Mystery, Wild Goose Chase, Letha's Electric Fan, Chisolm Trail, and Lovers' Lane. Along with detailed instructions for each block, McGinnis shares some of her personal, often hilarious vacation and travel memories, as well as a photo gallery of beautiful quilts made from these Star patterns. The Kansas City Star was renowned for a widely popular series of quilt blocks published in the newspaper from 1928 to 1961. Still avidly sought after by quilters, these patterns and others inspired by them have been published by Kansas City Star Books since 1999. 124.
