

The Collected Writings of John Maynard Keynes

By John Maynard Keynes

Cambridge University Press. Paperback. Book Condition: New. Paperback. 426 pages. Dimensions: 9.1in. x 6.1in. x 1.0in. This volume, a companion to Volume 17 and to many of the Essays in Persuasion (Volume 9), carries Keynes involvement in the post-1919 reparations tangle down to the Lausanne Conference and Britain's subsequent effective default on her own war debts in June 1933 - almost fourteen years to the day after Keynes's own resignation from the Treasury over the original Peace Settlement effectively removed the issue from practical politics. The events it covers were dramatic - the German hyperinflation, the occupation of the Ruhr, the Dawes and Young Plans and the Hoover Moratorium. Throughout, Keynes attempted to shape opinion and the course of events through published articles, unsigned letters, contributions to *The Nation* and *Athenaeum*, speeches, letters, official committees and memoranda. These add an important dimension to our understanding of the history of the period. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

It is one of the most popular ebooks. It usually fails to price an excessive amount of. It has been printed in an extremely basic way in fact it is merely right after I finished reading through this book in which really altered me, change the way I believe.

-- **Sigrid Brown**

Absolutely one of the best pdfs we have ever read. I really could comprehend every little thing using this written ebook. I am easily could get a satisfaction of reading a written publication.
