Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Job: An American Novel Captain Lew Golden would have saved any foreign observer a great deal of trouble in studying America. He was an almost perfect type of the petty small-town middle-class lawyer. He lived in Panama, Pennsylvania. He had never been captain of anything except the Crescent Volunteer Fire Company, but he owned the title because he collected rents, wrote insurance, and meddled with lawsuits. He carried a quite visible mustache-comb and wore a collar, but no tie. On warm days he appeared on the street in his shirt-sleeves, and discussed the comparative temperatures of the past thirty years with Doctor Smith and the Mansion House bus-driver. He never used the word beauty except in reference to a setter dog - beauty of words or music, of faith or rebellion, did not exist for him. He rather fancied large, ambitious, banal, red-and-gold sunsets, but he merely glanced at them as he straggled home, and remarked that they were nice.
