iUniverse.com. Hardcover. Book Condition: New. Hardcover. 222 pages. Dimensions: 8.7in. x 5.8in. x 0.9in. When Sharon Porter was a gutsy, precocious kid, she lived in the giant redwoods of Northern California, high up in a remote logging camp called Whitethorn. Told from young Sharon's point of view, *Among the Silent Giants* is a sometimes humorous, sometimes serious, and often unexpected narrative of her adventures and struggles coping with life in and around the camp and gaining a sense of her identity. On her horse Stardust, she explores the timber country, fishes, traps, and hunts for food in mountains with the big, ancient trees so quiet and still that she believes they have spirits in them. Sharon grows up fast and is tested by adult prejudices and occasionally violence against Native Americans, Chinese, and city slickers. The larger-than-life members of her family boast brains and wit but are trapped in poverty and drink. Their carefree unconcern and benign neglect test Sharon's mettle to fend for herself early in her life. At other times, her impractical mother inadvertently challenges her to take on an adult role to protect and save both of them. In the rough-and-tumble, vanished Americana of the logging camps of the 1940s, quick-witted, scrappy Sharon grows and brings to life a nostalgic time of this country's more simple, natural, and wild self. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
