Brand New Book ***** Print on Demand *****.When crime stalks the night, it too knows fear. For that is when The Silver Fox comes out to hunt, preying on those who would fancy themselves the predators. The city s silent protector, the man-in-the-derby-hat long kept its seedy underbelly at bay. But that was a long time ago. Retired, forgotten, he has long since given up the fight. But when a startling series of burglaries have the city once more in the grip of the criminal element, can an old dog find it within himself to keep up with today s young pups? Melody Moon was just your average college student trying to make it in today s world. That is, until her world was turned upside down by a friend s implication in a recent crime wave. Unwavering in her support, Melody will go the limit and beyond to prove her friend s innocence. But in her hunt for the truth, she will need some help. Do an aged vigilante and a wide-eyed co-ed have what it takes to solve the mystery behind it all? And what does an old adversary from out of the past have to do with it? Worlds collide in a rock em sock em story that introduces the pulp sensibilities of yesteryear to the fresh young audiences of today. Chock full of derring-do and rich characterization, Silver Fox: Back in the Hunt is proof positive that the spirit of adventure still lives!.
