

Lone Star Navy: Texas, the Fight for the Gulf of Mexico, and the Shaping of the American West (Paperback)

By Jonathan W Jordan

Potomac Books Inc, United States, 2007. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Brand New Book. ****WINNER OF THE 2007 UNITED STATES MARITIME LITERATURE AWARD**** In the 1830s, Mexico endured a tragic era of internal political instability. Meanwhile, bold American frontiersmen sought their fortunes beyond the borders of the United States, with many settling in the Mexican territory of Texas. In 1835, these transplanted Americans led a revolt against Texas's embattled rulers in Mexico City. Lone Star Navy chronicles the little fleet of wooden warships, bought on credit by an impoverished band of revolutionaries and sent to sea on a singular mission: to win Texas's independence from Mexico. Beginning with four small sailing vessels, the upstart flotilla became a vital counterpart to Texan armies fighting for an independent republic. Indeed, Capt. Jeremiah Brown's naval battle off Matamoros in April 1836 helped save the fledgling republic from a premature end. But even as it battled for independence on the Gulf of Mexico, the Texas navy came under attack from unexpected enemies. The same fierce individuality that led Texans to shake off their Mexican rulers also stymied their efforts to govern themselves with any consensus....
