The Road to Stockholm: Nobel Prizes, Science and Scientists (Paperback)

By Istvan Hargittai

Oxford University Press, United Kingdom, 2003. Paperback. Book Condition: New. Revised ed.. 194 x 128 mm. Language: English . Brand New Book ***** Print on Demand *****.The Nobel Prize is by far the highest recognition a scientist may receive and the only one with which the general public is familiar. Its prestige has reached improbable heights. At the same time a lot of myth surrounds the Nobel Prize, and this is compounded by the fact that people tend to view scientists with some bewilderment. This book introduces the process of selection of the laureates, discusses the ingredients for scientific discovery and for getting recognition. It reviews the decisive moments of scientific careers en route to the Nobel Prize, points to characteristic features of the laureates, the importance of mentors and venues in scientific careers and other components of success. It also covers some discoverers and discoveries for whom and for which the Nobel Prize never materialized. Whereas there is no general recipe for receiving the Nobel Prize, there are common features of successful scientific careers. The book reveals some information about the scientists lives and careers that may guide other scientists in increasing their chances of becoming more effective and...
