HarperCollins. Paperback. Book Condition: New. Adam McCauley (illustrator). Paperback. 160 pages. Dimensions: 7.0in. x 4.4in. x 0.9in. Strange Strangers Come to Wayside School. . . Welcome back to Wayside School! After closing for 242 days to get rid of the cows (dont ask), everyones favorite thirty-story school is finally back in session. But all is not well at the school with no nineteenth floor. Mrs. Jewls, the best teacher at Wayside, is having a baby, and that can mean only one thing--substitute teachers. First comes Mr. Gorf. Was he married to the terrible Mrs. Gorf And why does he have three nostrils The kids wont tell you. Theyre not talking. Then theres Mrs. Drazil. She never forgets a missed homework assignment, not even one that Louis the yard teacher owed her fifteen years ago. By the time the class gets the fearsome Miss Nogard, the kids cant wait for everything to return to normal. Wayside School may seem like a pretty strange place already, but now it has to get a little stranger. These additional anecdotes about Wayside School will surely tickle the funny bones of Sachars fans. Thirty more time outs are miraculously conflated into a semicoherent story about the students and teachers at this unique 30-story 1-classroom-per-floor elementary school. Mrs. Jewls, the teacher atop the school, is out on maternity leave and her students find themselves facing three consecutive substitutes. . . . Contains hilarity, malevolence, romance, relentless punning, goofiness, inspiration, revenge, and poignancy. -- School Library Journal. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
