She may have as few as four months left to live. Death is a frightening prospect but not because she s afraid for herself. She s terrified of what will happen to her brilliant but otherwise charmingly helpless husband when she s no longer there to take care of him. It s this fear that keeps her up at night, until she stumbles on the solution: she has to find him another wife. With a singular determination, Daisy scouts local parks and coffee shops and online dating sites looking for Jack s perfect match. But the further she gets on her quest, the more she questions the sanity of her plan. As the thought of her husband with another woman becomes all too real, Daisy s forced to decide what s more important in the short amount of time she has left: her husband s happiness or her own?.
