It is a complete understanding of the universe, why it is as it is and why it exists at all. - Stephen Hawking I am just a child who has never grown up. I still keep asking these how and why questions. Occasionally, I find an answer. - Stephen Hawking In the pantheon of great theoretical physicists that includes the names of such historical luminaries as Isaac Newton and Albert Einstein, it is, perhaps, supremely ironic that the successor to the leading scientific minds of their generations has produced such groundbreaking work in physics and cosmology, while at the same time battling one of the world s most insidious and relentless diseases. Dr. Stephen William Hawking, British mathematician, theoretical physicist, and cosmologist, is the face of twenty-first century physics, and yet cannot speak directly to his audience. For verbal communication, he relies on the use of an electronically activated...
