## The Complete Guide to Building Affordable Earth-Sheltered Homes: Everything You Need to Know Explained Simply

By Robert McConkey

Atlantic Publishing Group (FL). Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. Earth-sheltered building has existed since the heyday of Skara Brae in Scotland 5,000 years ago, and is used today by people around the world, from the Yaodong of northwest China to the subterranean residents of Coober Pedy, Australia, and even to converted missile silos in America. Contrary to popular misconceptions of being cramped, dark, or dank domiciles, earth-sheltered homes come in a number of different styles, incorporating brilliant techniques designed to bring light and air into the home. With *The Complete Guide to Building Affordable Earth-Sheltered Homes*, you will learn about the many different types of earth-sheltered homes and their various advantages, including a life span that can be two to three times longer than that of conventional housing, inexpensive building materials, and reduced maintenance costs. Additionally, the energy costs of an earth-sheltered home can be as much as 80 percent lower than a conventional home's power costs. The book also examines the different environmental factors that you need to consider when selecting which style to build and how to begin, and carry out, your building process. Some of the factors discussed include...
