

The Girls are Coming

By Peggie Carlson

Minnesota Historical Society Press, U.S. Paperback. Book Condition: new. BRAND NEW, The Girls are Coming, Peggie Carlson, In 1974, lured by good wages, a 22-year-old African American college student from suburban Minneapolis started work as a pipefitter trainee for Minnegasco, a Minnesota natural-gas utility. Peggie Samples was one of the first four women hired by the company into non-secretarial jobs after the passage of the Equal Employment Opportunity Act of 1972. On the job, she met men who were hostile, men who were helpful, and men who were simply flummoxed to find 'girls' in their midst. "S'long as a guy does his job," one told her, "it don't matter ta me if he's a gal." This memoir is the sometimes hilarious story of how they learned to work together -- and what they all learned about stereotypes. In this memoir, Carlson tells sometimes shocking, sometimes funny, anecdotes of her efforts to break new ground for working class women.
