## HERETICAL EMPIRICISM

DOWNLOAD

New Academia Publishing, LLC. Paperback. Book Condition: New. Paperback. 368 pages. Dimensions: 8.9in. x 6.2in. x 1.0in. This is an expanded edition of Pier Paolo Pasolinis long out-of-print *Heretical Empiricism*. It includes a new Introduction by Ben Lawton that discusses the relevance of the book on the 30th anniversary of the authors death. It also features the first approved translation of *Repudiation of the Trilogy of Life*, one of Pasolinis most controversial final essays. While Pasolini is best known in the U. S. as a revolutionary film director, in Italy he was even better known as poet, novelist, playwright, political gadfly, and scholar of the semiotics of film. New Academic Publishing should be commended for making this expanded version of Pier Paolo Pasolinis *Heretic Empiricism* once again available to the English-speaking public, especially in the light of the fact that the important essay, *Repudiation of the Trilogy of Life*, has been added to its contents. Thirty years after Pasolinis violent death on 2 November 1975, the appearance of this excellent translation and edition of his major writings on Italian film, literature, and language is most welcome. No figure has emerged in Italy since the writer-directors death that has aroused such passionate opinions from all sides of the political and cultural spectrum. The translations by Ben Lawton and Louise Barnett render Pasolinis sometimes complex prose accurately with ample explanatory notes to guide the reader without a firm grasp of the original essays in Italian. This book represents an important work to have in every library devoted to cultural criticism, cinema, and literary theory. -- Peter Bondanella, Distinguished Professor of Comparative Literature and Italian, Indiana University One of the greatest cultural figures of postwar Europe, Pier Paolo Pasolini (1922-1975), who is already widely known as a revolutionary filmmaker, was an equally...
