Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1867 Excerpt: .six, instead of four, and they ate more victuals than they washed clothes, and didn t know how to make starch nohow! When she were young, people washed clothes as they did their skin--wi their hands--and used plenty o water and soap, and bleached em on the grass till they were as white as a blossom. Mangles was mangles in those days, as you might roll the parson s lawn with, as well as his sheets, and not the fig-a-maree iron clothes-horses they was now! She driv off her washing as long s she could, and slopped out a few things in a pan, she did, but she were obliged to have a wash once a month, and she were to her wits ends then for sure! Just at this stage of her grumbles, while she was sitting in her old arm-chair, with a red earthen...
