AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This book was written for people of all ages, but the people I want to try to relate to is the younger crowd between teenagers to the early twenties. All I am doing is taking thoughts and questions and trying to take them to a deeper level. Relating to people and trying to help them is a big part of me, helping people out and trying to give them advise is the best feeling in the world. If I can make others feel better; I feel as if it ll make me feel better about myself as a person. This book can be confusing at some points, but I wasn t trying to make the book readable in one night. It s to be thought about more than you normally would . People take/think things only to a certain point where a quick/simple answer is available. What I realized is if you take situations and think about them in a deeper prospective you tend to think about it as if you were someone else, or the other person/people that might have been involved. Then you can realize what others get from what happened, even to see/think what people that could ve being going through the same issues might be feeling right at the very moment. It wasn t intend to be taken in one way, it was created to be taken in a way that if something in the book can catch someone s attention enough where they might ve gone through/thought that same thing, For them to feel as if someone might understand them. Now of days everyone feels as if no one understands them for who...
