Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book. The Legend of Queen Agatha will carry you away to the magical land of Xana, where Queen Julia rules as a typical medieval aristocrat while her teenage daughter, Princess Agatha, champions the commoners. When the evil sorcerer Magi kills the queen and ravages her land and her people, Agatha is protected by her fairy godmother, who informs her that her Prince Charming will come, but he will not identify himself. It s up to the princess to find him and make love to him-and only him-if Magi is to be vanquished and the Bad Times dispelled. Love is made, and the fairy tale continues. But the typical Cinderella story ends when Agatha insists on stepping into the lead rather than becoming irrelevant, as is so often the fate of fairy tale princesses. Queen Agatha is determined to fulfill her destiny of inspiring the good people of Xana to rebuild their ruined land. And under her reign, everyone prospers from the fruits of their own labor; no one is left out, and-at least according to some versions of the legend-clothing is optional. It s up to you to decide which version you want to embrace in this provocative allegorical tale.
