Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Ashley Kath-Bilsky, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When an ancient evil rises to threaten the world of the living and the realm of the dead, 19-year old Patience Sinclair is recruited by a covert group of young English lords, known as The Legion of Mithras to help save mankind. PATIENCE SINCLAIR has lost everything-her family, her freedom, and the young man she loves. Yet three years exiled in the highlands of Scotland has made her more determined than ever to prove she deserves to be free. The time has come to embrace what she is, and the gift she has kept hidden from the world. However, returning to London is not without danger. Each step Patience takes puts her in the terrifying path of a serial killer, and an evil unlike anything she has ever known. When fate reunites her with VISCOUNT LEIGHTON (Tristan St. Ives), Patience discovers there are others with closely guarded supernatural abilities. Can she and the Viscount move beyond the pain of their past, learn to trust love, and work together with the mysterious Legion to conquer evil? Or, will darkness win? BETWEEN THE SHADOWS marks the beginning of an extraordinary journey for Patience Sinclair and The Legion of Mithras. A journey that will not only redefine their existence, but their importance in the security and future of their country. BETWEEN THE SHADOWS is a haunting historical paranormal romance mystery/suspense/thriller set in Regency (1813) England and Scotland. A stand-alone novel, it is the first book in THE LEGION OF MITHRAS series.
