Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - A codex is a book in the format used for modern books, with separate pages normally bound together and given a cover. It was a Roman invention that replaced the scroll, which was the first form of book in all Eurasian cultures. Although technically any modern paperback is a codex, the term is now used only for manuscript books, produced from Late Antiquity through the Middle Ages. The scholarly study of manuscripts from...
