

Grazie no. 7 idee che non dobbiamo più accettare.

By Bocca, Giorgio

Giangiaco Feltrinelli Editore, 2012. Book Condition: new. Milano, 2012; br., pp. 96, cm 13,5x20. (Serie bianca). Anche in Italia, il libretto di Stéphane Hessel "Indignatevi!" ha avuto un notevole successo: ma forse non c'è bisogno di andare in Francia a cercare un autore in grado di parlare come coscienza critica di un paese e di articolare una critica delle nostre condizioni attuali a partire dalle basi ideali della Resistenza al nazifascismo. Giorgio Bocca è il testimone per eccellenza di quei valori fondanti e di un'attività instancabile di ricerca della verità: per questo il suo nuovo libro individua una serie di idee a cui ci siamo assuefatti e che invece dovrebbero farci sobbalzare, farci scuotere dal torpore, farci reagire per cambiare. Dal mito della crescita infinita a quello della fine del lavoro, dall'inevitabilità della corruzione all'equivalenza tra fascisti e antifascisti, dall'incontrastato dominio sulle nostre vite della finanza e della tecnologia all'impoverimento della lingua e all'involgarimento dell'informazione. Un breve libro, acuminato e infuocato come una freccia incendiaria, per illuminare la notte italiana e incenerire i falsi idoli e i luoghi comuni che ci propinano e vorrebbero farci accettare.
