

From the Court to the Kitchen (Paperback)

By Chef Marty Embry

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As a professional basketball player, I had the privilege of traveling to different countries and learned how to prepare their authentic cuisine. I enjoy cooking and it is simply another extension of what I view as being artistically inclined. I learned how to prepare authentic dishes that were taught to me by my mother and mother in law, my wife, my teammates wives, their mothers and grandmothers and team sponsors that either owned restaurants or knew chefs that worked in a restaurant and were willing to teach me their methods. They taught me their dishes in its simplest forms and in most cases, I infused my personality in them as well to make them my own family recipes from top to bottom. I hope you enjoy them because I certainly enjoyed eating them as much as I have enjoyed creating them. From my court.to your kitchen! Enjoy.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
