However, though these commercial products clean well enough, they are full of dangerous chemicals which can, in the long run, affect our health. Those with young children or with family members with sensitive skins and noses are most likely affected. Thus, some families are trying to search for more natural and less toxic alternatives. For the household, it can be used to scent laundry, to sanitize surfaces and to deodorize the air. You can even cook with lavender essential oil. There are many recipes for sophisticated desserts like ice creams, cakes and jams using lavender essential oil. You can also use this to perfume soaps and shampoos. Here Is More Of What You ll Learn.
