By -

Oxford University Press, United Kingdom, 2012. Hardback. Book Condition: New. New edition.. 212 x 154 mm. Language: English . Brand New Book. A fresh new look for the Oxford Junior Dictionary which features thousands of words and phrases in alphabetical order, in a clear and accessible design. Each entry contains simple, easy-to-read numbered meanings, word classes, and age-appropriate example sentences. These are taken from well-known children's authors, such as Dick King-Smith, Jacqueline Wilson, and Roald Dahl. They show the words actually in use to reinforce meaning, and inspire children to use language more effectively, making them more independent in their reading and writing. Tinted panels provide extra language information on overused words, words belonging to the same family, and key language topics (such as connectives or apostrophes). This is powered by the Oxford Children's Corpus, a unique electronic database of millions of words of writing for children. Extra material carefully levelled for this age includes information on spelling success, punctuation, simple grammar, key overused words (with alternatives) as well as word origins, prefixes and suffixes. Navigation is easy with the guidewords, and the full alphabet on every page with a dark blue tab on the letter of the...
