A LIADEN UNIVERSE CONSTELLATION, VOLUME 2

DOWNLOAD

Baen Books. Paperback. Book Condition: New. Paperback. 480 pages. Dimensions: 7.7in. x 5.0in. x 1.3in. BOOK 2 in The First Liaden Universe Collection. Fifteen short tales of the Liaden Universe brought together for the first time. Space opera and romance on a grand scale in a galaxy full of interstellar trading clans. Thirty-three shorter tales of the Liaden Universe brought together for the first time in two mega-volumes. Fifteen tales complete Volume Two! The nationally best-selling Liaden Universe novels are treasured by space opera aficionados for their wit, world-building, strong characterizations, tender romance, and edge-of-the-chair action. Since 1995, Sharon Lee and Steve Miller also created shorter tales, illuminating additional facets of the Liaden experience. Here is a vast tapestry of tales of the scouts, artists, traders, priestesses, sleight of hand magicians, and pilots who fill the Liaden Universe with the excitement, action, and romance that readers of the hit series have come to adore. Celebrating 25 Years of the Liaden Universe About A Liaden Universe Constellation : Volume 1: . . . adds a bit of sparkle to ordinary life. . . . This series is . . . the premier place to find good romantic SF adventure. . . . strong characters finding their own way (and, often, each other) in an action-packed galaxy of worlds. . . . Every story stands on its own; readers don't have to be familiar with the Liaden universe. Those who have had the pleasure, though, will find many connections to existing tales. Analog on A Liaden Universe Constellation: Volume 1. About the Liaden Universe series: Every now and then you come across an author, or in this case, a pair, who write exactly what you want to read, the characters and personalities that make you enjoy meeting them. . . . I rarely rave on and...
