

Silence on the Mountain: Stories of Terror, Betrayal, and Forgetting in Guatemala

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

SILENCE ON THE MOUNTAIN: STORIES OF TERROR, BETRAYAL, AND FORGETTING IN GUATEMALA

DOWNLOAD

Duke University Press. Paperback. Book Condition: new. BRAND NEW, Silence on the Mountain: Stories of Terror, Betrayal, and Forgetting in Guatemala, Daniel Wilkinson, Silence on the Mountain is a virtuoso work of reporting and a masterfully plotted narrative tracing the history of Guatemala's thirty-six-year internal war, a conflict that claimed the lives of some 200,000 people, the vast majority of whom died (or were "disappeared") at the hands of the U.S.-backed military government. Written by Daniel Wilkinson, a young human rights worker, the story begins in 1993, when the author decides to investigate the arson of a coffee plantation's manor house by a band of guerrillas. The questions surrounding this incident soon broaden into a complex mystery whose solution requires Wilkinson to dig up the largely unwritten history of the country's recent civil war, following its roots back to a land reform movement that was derailed by a U.S.-sponsored military coup in 1954 and to the origins of a plantation system that put Guatemala's Mayan Indians to work picking coffee beans for the American and European markets. Decades of terror-inspired fear have led the Guatemalans to adopt a survival strategy of silence so complete it verges on collective amnesia. The author's great triumph is that he finds a way for people to tell their stories, and it is through these stories--dramatic, intimate, heartbreaking--that we are shown the anatomy of a thwarted revolution that has relevance not only to Guatemala but to countless places around the world where terror has been used as a political tool.
