Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1920 Excerpt: .For renewal of license for Surveying: \$1.00 annually. For renewal after license has been revoked, for Engineers: \$10.00. For renewal after license has been revoked, for Surveyors: \$5.00. Expirations and Renewals.--Licenses must be renewed before February first each year, or in case of absence-from the State, within thirty days after return. If a license is not renewed within the time limit, it shall be revoked, but may be renewed at any time thereafter upon payment of the required fee. Significance of Certificate.--Public work: No special provision. (The Attorney-General has expressed the opinion that no political sub-division of the State can legally employ any engineer and surveyor who is not licensed.) Private work: Must be licensed to engage in private practice of civil engineering or land surveying. Seals.--Board is authorized to adopt and use an official seal. Exemptions (See also Reciprocity).--Temporary permits: Any member of the...
