Confused about today? No sense of tomorrow? In every family, history repeats itself and creates a generational cycle of patterns which can include abuse, dependency, and abandonment, which can all affect you today. In Gisele Beatty's autobiography she shares her life and intersperses her story with elements of biblical principles. In the past, her heart was filled with the scar tissue of painful memories that would bleed from time to time. Only through the grace of God was she able to break the stronghold of generational cycles in her life. Jesus healed and removed all the pain of her past, filling her with courage, peace, and a sense of purpose. Now you can share in that promise and live each day free from pain. Open up your heart and mind and let the healing begin.
