

## Fool for Christ: The Intellectual Politics of J.S. Woodsworth (Paperback)

By Allen Mills

University of Toronto Press, Canada, 1991. Paperback. Book Condition: New. 2nd Revised ed.. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.James Shaver Woodsworth (1874-1942) stands as one of the half-dozen most important national political figures in twentieth-century Canadian history. Allen Mills acknowledges his outstanding achievements while providing a critical account of the Woodsworth legacy and revising the received opinion of him as a man of unbending conviction and ever-coherent principle. A product of western Canada's pioneer society and a stern Methodist household, Woodsworth grew up to make his way into social service and political action. A member of parliament for over twenty years, he rejected the traditional forms of political activity, seeking a new politics and a new political party. The latter turned out to be the Co-operative Commonwealth Federation founded in 1932. Its first leader was Woodsworth himself. In a crucial period between the World Wars, Woodsworth helped define the character of the modern Canadian, non-Marxist Left and of many of Canada's important economic and social institutions. Among them are the welfare state, the Bank of Canada, and Canada's internationalist role in the contemporary world.
