Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Not illustrated. 1892 Excerpt: . . . with nothing but the hygiene of common sense and climate, the patient glides into recovered health almost insensibly. I had one case of this kind, a young man who, when a child, was taken to Minnesota on account of the tubercular manifestations. After some years residence there he was advised winters in Florida and Bermuda, with summers in the mountains of New York, all without benefit; who completely recovered his health, or, rather, became a well man. This was a remarkable case; the disease developing so early in childhood, and disappearing in this climate, after so many efforts elsewhere. Dr. William A. Edwards, formerly of Philadelphia, now of San Diego, has given me the history of some interesting cases of cured laryngeal phthisis occurring in his practice since removing to California. Of the general run of cases of all varieties, our banks, stores, and business men are largely made up of cured cases. The mechanics and trades class is well sprinkled with those who came here almost hopeless. Of the physicians, lawyers, dentists, and clergymen, it is safe to say that eight out of ten originally came here for their health. At one time there was not a solitary physician practicing in San Diego living there from choice. It was kidney with one, heart with another, larynx with this, and lungs with a number; rheumatism, gout, asthma, and malarial poisoning were all represented, and not one felt safe to leave, some not daring even to go...
